PROFILE

Football video editor and content producer with nearly three years of experience creating English-language Bundesliga and international football programming for television audiences across sub-Saharan Africa. Hands-on across promos, weekly studio shows, live broadcasts, player interviews and short-form news video, with a strong eye for pace, music and the moments that give football content its character.

PROFESSIONAL EXPERIENCE

Video Editor (Football) | StarTimes — Beijing, China

Mar 2023 – Nov 2025

- Edited 100+ English-language promos for Bundesliga, La Liga and other football broadcasts, selecting footage, music and structure for each match story.
- Produced the weekly studio show Football Moments from rundown and research through on-screen materials, studio recording and final delivery.
- Ran playout during live match studio shows, inserting advertisements and prepared content accurately while the programme was on air.
- Researched, prepared and helped conduct remote interviews with Bundesliga players.
- Worked closely with presenters, directors and production colleagues and adapted quickly when timings or materials changed.

Freelance Chinese Translator & Video Producer | Cover Media — Remote / London, UK

Jul 2025 – Oct 2025

- Translated English news videos into Chinese and independently handled final checks and online publication.
- Built one-minute news videos in Wochit, choosing library footage and matching visuals closely to each story.
- Completed 6–10 translated or newly assembled videos per day while managing multiple deadlines independently.

SELECTED WORK

Producer, Director & Editor — Happy Accident | Cardiff University — Cardiff, UK

Sep 2022

- Made a short documentary about skateboarding independently, from contributors and story planning to interviewing, filming, voice-over and final edit.

Basketball Photographer & Team Manager | ZUEL — Wuhan, China

Oct 2019 – Jun 2021

- Photographed matches and training sessions, produced video for team review and handled the men's team CUBA registration.
